## FINED \$10 FOR BARRING SOLDIER IN UNIFORM

Edward T. Davison, Proprietor of a Dance Hall, Pleads Guilty to Charge Before Judge Pugh.

Pleading guilty to a charge of discriminating against a United States soldier in uniform, in refusing him admission, through an employe, to a public place of entertainment, Edward T. Davison, proprietor of a dance hall at National Rifles' armory, was fined \$10 in the Police Court today by Judge

Frank A. Stetson, who is a trooper of the 5th Cavalry Band, stationed at Fort Myer. Va., stated to the court that he appeared at the dance hall conducted by Mr. Davidson last February, in company with two friends. He said his friends were civillan clothes and that he wore his band uniform.

No Intention to Discriminate. Mr. Davidson told the court he had no intention of discriminating against the uniform of the United States. "We have had some trouble at the dances because of persons appearing in other

hecause of persons appearing in other than civilian clothes," he said, "and for that reason I made a rule that no one would be allowed upon the dance floor who was not dressed properly. I consider that I was not violating the law, and if I had been notified that Mr. Stetson desired admission, even if he was in uniform. I could possibly have straightened out the matter."

Judge Pugh said Mr. Davison has a right to make certain rules for the proper colduct of his dances and that he had a right to refuse any one upon the floor to participate in the dances who is not properly dressed, but that he cannot refuse a person admittance to the hall because he wore a uniform of the United States.

After leaving the Police Court Trooper Stetson and H. Oden Lake, national commander of the Army and Navy Union, went to the War Department to see Secretary Garrison to protest against the smallness of the fine.
